

 Kids Evolution® Ecolutions® colouring set x 12 units

BIC® Kids Evolution® Ecolutions® colouring pencils **contains 51% of recycled material**, made from recycled fridges and yogurt pots.

The percentage of the recycled material is calculated on the total weight of the product.

The calculation of the percentage of recycled materials of our products **complies with ISO 14021** standard for environmental claims and communications.

We have a process with our suppliers to ensure the traceability of all raw materials and guarantee their origins, especially regarding recycled materials used in our BIC® Ecolutions® range.
